COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop Issue Fee
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

The Examiner indicates:

[The limitation “the cavity faces away from the substrate and the housing structure extends across a bottom surface of the cavity” of claim 1, “a cavity having sidewalls and a bottom surface formed from the at least one layer of material, wherein the cavity faces away from the substrate” of claim 24 in combination with other limitations present is neither taught nor disclosed in the prior art of record.]

Applicants concur with the reasons as stated by the Examiner insofar as they comprise a summary, and are exemplary and not limiting. However, the allowed dependent claims include

other and further features and elements. Accordingly, the scope of the claims must be determined from the literal language of each as a whole, as well as equivalents thereof.

Respectfully submitted,

Kirsten L. Dockstader
